“Each Body shall be entitled to appoint a Deputy for each of their members and such Deputy shall be entitled to attend meetings of the Committee in the event of the appointed member being unable to attend and have the right to take full part in the meeting. The Deputy may also attend meetings of the Committee as an observer when the appointed Member is present. In these circumstances the Deputy has no right to take part in the meeting.”

The Committee noted the point.

2. MINUTES OF THE MEETING HELD ON THE 10TH JANUARY 2018

The Minutes of the meeting held on the 10th January 2018 were agreed, following a discussion surrounding the planning application for the work on the taxiway and the refusal from both Local Authorities (see Minute 5 below).

3. MATTERS ARISING FROM THE PREVIOUS MINUTES

Residents Meeting with NPAS and Air Ambulance

At its meeting on the 13th September and 10th January an action was agreed to arrange a meeting between helicopter pilots/users and affected residents. Cllr John Johnson had asked for an update on when this meeting would take place. Mr Wright confirmed that a meeting had been arranged for 26th May 2018.

4. MONITORING REPORTS FROM REDHILL AERODROME

Reports for the period January 2018 to March 2018 were submitted regarding:

- (i) aircraft movements
- (ii) movements outside Air Traffic Control (ATC) hours
- (iii) complaints (0) about fixed wing aircraft overflying properties
- (iv) complaints (4) about helicopters overflying properties.

*** The statistics were reported into monthly figures, as previously requested. These reports were circulated with the Agenda and included as a separate document to these minutes.

5. PLANNING APPLICATION UPDATES

The Planning Application for works that had been carried out in 2015 to a section of the southern taxiway, were again discussed. Mike Murray confirmed that the planning application was refused by Reigate & Banstead Planning Committee on 4th October 2017 and Tandridge District Council on the 26th January 2018. He confirmed that the Aerodrome had not appealed and were considering the options of what to do.

When asked when the timeline for appealing expired, Mike Murray did not have the exact dates to hand as each authority had different dates, however, it was explained that it was Public information so could be looked up.

Mr. Lindsay explained that there were no further planning applications with either Authority however they would be looking at temporary structures. He went on to explain that Phoenix House should start to come into use by the end of May. It was hoped that it would have Building Control sign off and tenants in by the end of the year.

Councillor Vickers asked if all the Aerodrome buildings were at full capacity and in use. Mr Lindsay explained that not all, due to the old buildings being out of date and due to the new

Energy Performance regulations, some buildings may not be in a position to be rented out as they would not meet the criteria for legally renting out, without serious investment.

In response to a question he explained that Hangar 1-3 (previous Tenants Brake Brothers) was rented out to Tenants, 'Ace Hygiene'.

Mike Murray gave an update on the proposed Garden Village and explained that Thakeham promotion continued. There were no further updates from the vision statement. Seven Parish meetings had taken place, contacts had taken place with eight Parish Clerks, however Crowhurst, Lingfield and Oxted had not made contact.

6. REVIEW OF DRAFT 2017/2018 ANNUAL REPORT

A draft copy of the report had been circulated to Members.

Amendments were suggested with regards to the date Ann Bartaby stepped down and a paragraph within section 2 – "Progress and activities of the Aerodrome".

Following some debate the below wording was agreed:

"In 2015 works were been carried out to a section of the southern taxiway which is in both Reigate & Banstead and Tandridge administrative areas. The Aerodrome considered that these works were permitted development. The councils disagreed. The aerodrome submitted applications for both certificates of lawful use and retrospective planning applications to both councils while maintaining their view that the work was permitted development. The planning application was refused by Reigate & Banstead Planning Committee on 4th October 2017 and the applicant's agent, Terrence O'Rourke, was informed of this in a letter dated 16th October 2017. Tandridge District Council refused the application 26th January 2018".

7. ANY OTHER BUSINESS

Financial Viability of the Aerodrome

At the meeting on the 10th January, Mr. Lindsay was asked if the Aerodrome was making a profit, to which he acknowledged that significant investment had been spent on improving the site, but concluded that it was making a profit.

Mr Lindsay went on to explain that on the 10th January, he had been very new to the organisation and apologised as he was mistaken in making the informal observation. Since January he has spent time reviewing the accounts and concluded that there were viability issues. He stated that there had been significant investment in the Aerodrome by investors.

Paul Murray stated that the Committee had on numerous occasions asked RAVL to provide evidence to support the statement that the Aerodrome was not viable. Mike Murray responded that the statutory accounts were available via Companies House as a Public record, however noted that the request had been made.

RAL – Planning matters

Mr. Hoskins asked for clarification on Mr. Mike Murray's position within RAVL. In response Mr. Murray explained that this had been covered in previous meetings and stated that he was a development consultant to RAVL, and would advise RAL on planning matters.

CAA Licence

Paul Murray asked a question with regards to the CAA Licence. Philip Wright explained that the Licence application was held in the name of RAL not in an individual's name, however Mr. Lindsay would be a named person on the application.
