

Fixed-wing Flying Complaints – July 2023

Reference	Date/Time	Location	Runway	F/W Movements	Total Movements	Complaint	Action
FW23/3	04/07/23 1350hrs	RH1 5PD within the ATZ	25L	12	33	Complainant states that a fixed-wing aircraft flew over the location at approximately 300ft.	The complaint resides within the ATZ. The aircraft involved was a visiting Cessna 208 (this is much larger than the C152/C182 aircraft that use the Aerodrome) landing on Runway 25L. No action possible.

Helicopter Flying Complaints – July 2023

Reference	Date	Location	Helistrip	Heli Movements	Total Movements	Complaint	Action
H23/5	14/07/23	RH1 5NP within ATZ	N/A	N/A	N/A	Complainant, who resides very close to the Aerodrome, complained of helicopter noise.	The complainant, who built their residence adjacent to the Aerodrome boundary, complained about helicopter noise. Their complaint related to grounding running, the only ground runs permitted outside ATC hours are those required by emergency service helicopters. No action.
